

BETHESDA HOSPITAL GP EDUCATION PROGRAM 2014

“ A Broader Understanding of Breast Cancer – an Update for GPs ”

Attendance at this event qualifies for CPD points

Mr Richard Martin - Specialist Breast Endocrine & General Surgeon

Richard began surgical training in 1996 and now has over 15 years surgical experience. As one of the eminent breast surgeons in WA, Richard undertook two years post FRACS training specifically in oncoplastic surgery and hence today, is a leader in his field. Richard is committed to providing the highest level of surgical expertise and care for his patients. Richard operates at Bethesda Hospital and is available for consultation at The Mount Hospital and St John of God Hospital Subiaco.

PRESENTERS

Dr Wen Chan Yeow - General Surgeon, subspecialises in Breast and Oncoplastic

Wen Chan graduated from the University of Western Australia and completed her post fellowship training in Breast and Oncoplastic Surgery. In 2011, she worked as a locum Consultant Breast Surgeon at The Royal Marsden Hospital in the UK. Wen Chan operates at Bethesda Hospital and consults privately at St John of God Subiaco and Murdoch Hospitals. She is also a UWA Clinical Senior Lecturer.

Dr Farah Abdulaziz - Breast and General Surgeon

Farah is a fellow of the Australasian College of Surgeons with extensive training in general surgery and a special interest in oncoplastic breast surgery. She obtained her primary medical qualifications at Nottingham University in the UK and completed her advanced surgical training in Perth. She then underwent a post fellowship training in oncoplastic breast surgery. She has been working as an Oncoplastic Breast and General Surgeon at Sir Charles Gairdner Hospital and Osborne Park Hospital since 2010. Farah operates at Bethesda Hospital and currently consults at Hollywood Private Hospital and Sir Charles Gairdner Hospital.
