## **Connecting with the Community**

It has been 20 years since Bethesda Health Care worked together with the Dalkeith Road Church of Christ to provide community education, and now both groups have come together in 2015 to recommence this invaluable service provided to their surrounding neighbourhoods.

Their first joint community event to be held at the Dalkeith Road Church of Christ (70 Dalkeith Road, Nedlands) is entitled 'Relationships that Last' and is on Wednesday 25 March from 7pm.

This event is for anyone wanting to increase their skill in building meaningful and lasting relationships, and will feature presentations by a Relationship Australia counsellor, as well as a Relationship Educator. There will also be a Q & A session, and an open forum for the public to interact with the speakers.

Tickets are \$15 (includes the presentations and a light supper), and purchased via [https://www.stickytickets.com.au/24026/relationships\\_that\\_last.aspx](https://www.stickytickets.com.au/24026/relationships_that_last.aspx) or on the night. Enquiries to 0410 627 640 or [rsvp@bethesda.asn.au](mailto:rsvp@bethesda.asn.au).

Rev. Barry Ryall, from Dalkeith Road Church of Christ is thrilled to be working with Bethesda Health Care once again. 'These events really allow us to reconnect with the community and to stay relevant', Rev Ryall said.

'We are planning to have three of these community events in 2015 thanks to the generous support of Bethesda Health Care'.

Hospital Chief Executive Officer, Ms Yasmin Naglazas said that 'we have always had a close affiliation with our local Church of Christ, through our historical roots and previous collaborations as well as our hospital chaplaincy service. It is exciting to be working more closely with Dalkeith Road in 2015'.

Bethesda Health Care is an independent 88-bed award-winning hospital in Claremont who has been providing care and service to the Western Australian community for more than 70 years.
