- Minimum of 2 – 3 years post graduate experience, preferably in orthopaedics
- Ability to demonstrate current Best Practice in Nursing
- Demonstrated ability to work effectively in teams
- Demonstrated adherence to working for quality improvement
- A commitment to improving own knowledge base and performance
- Commitment to working within a values and behavioural based organisation
- Commitment to enhancing the patient and family experience of the hospital stay
- Possession of well developed verbal communication skills
- Knowledge and respect for workplace safety

Employee Benefits include:

- Friendly and modern working environment
- Attractive remuneration and generous salary packaging
- Discounted staff meals
- Access to free parking
- Close to public transport
