BETHESDA FOUNDATION

The Bethesda Foundation aims to seek contributions from donors to provide the community with exceptional clinical and palliative care. Your support, large or small, will contribute to Bethesda's commitment to fund new opportunities, enhance current ones and play a role in future research projects.

As a donor, you can be assured that your generosity will go towards new clinical services, new technology and equipment and quality education and training programs, all of which will enhance Bethesda's existing services.

If you would like to find out more information please ask our staff or alternatively you can complete this card with your details. For more information on the Bethesda Foundation, please visit our website.
