

REGISTERED NURSES

PERIOPERATIVE SURGICAL PALLIATIVE CARE

As part of our continual organisational growth and expansion, Bethesda Health Care, a values-based organisation with an enviable reputation for personalised and high-quality patient care, has had opportunities become available for experienced Registered Nurses across all clinical areas – Perioperative, Surgical and Palliative Care.

We are seeking proactive and self-motivated Registered Nurses experienced in surgical nursing, theatre (anaesthetics/scrub scout/PACU) and palliative care. Key specialties of the hospital include Orthopaedics, Urology and Gynaecology, along with General, Oral, Plastic and Pain Management surgical procedures.

For surgical roles, the Day Procedure Unit currently operates Monday to Friday only, however flexibility in availability is required for working on the Surgical ward and Palliative Care.

Currently, Perioperative Services operate Monday to Friday, however flexibility to participate in on-call is essential, and potential availability for Saturday lists in the future desirable.

What you need:

- Registered Nurse qualification and current National registration
- Current Police Check (no more than 6 months old) and Working with Children Check
- Recent post graduate experience in relevant area (Graduate nurses may be considered)
- Ability to commit to working within the Bethesda Health Care Values
- Commitment to delivering personalised care to enhance the patient and family experience
- Ability to demonstrate current Best Practice in Nursing and commitment to improving own knowledge base and performance
- Full working rights in Australia

Employee Benefits include:

- Friendly and modern working environment
- Flexible hours to suit activity
- Attractive remuneration and benefits
- Salary Packaging options
- Discounted staff meals
- Access to subsidised parking and close to public transport

About Bethesda Health Care:

Bethesda Hospital is an 88-bed private, not for profit hospital with a strong reputation for high quality care in surgery and is one of Perth's leading inpatient palliative care units. Our nine operating theatres have a high throughput, with surgical cases performed as same-day and in-patient admissions. It is located in beautiful setting on the Derbarl Yerrigan (Swan River) and is easily accessible within western metropolitan Perth.

Palliative care consultancy to the community is provided by MPaCCS located in South Perth.

A mental health care facility is currently under development in Cockburn.

Current nursing and support staff are highly qualified, and the organisation is a leader in occupational health and safety.
