

# CLINICAL NURSE FULL TIME/PART TIME

## About the Bethesda Clinic

The Bethesda Clinic, opening in October 2022, will be the first private mental health clinic and service south of the river.

Based in Cockburn, this exciting new offering will be centred on a consumer partnership model, involving experts in their fields, to deliver multidisciplinary care. Architecturally designed, encompassing wellness themes throughout, this state-of-the-art facility will explore new holistic care models through innovation and digitisation.

Mirroring the values that underpin Bethesda Health Care, the clinic will have a diverse, inclusive and engaged workforce culture with a focus on development opportunities to consistently exceed consumer expectations.

## About the role

### Clinical Nurse

The Clinical Nurse is a pivotal role within the Bethesda Clinic. They are responsible for ensuring optimal care is provided for every consumer through effective coordination of clinical resources on their ward. Our clinical nurses understand the need for collaborative, holistic, person centred care and treatment to support the consumer on their recovery journey. The Clinical Nurse will ensure clinical standards are maintained at the highest level whilst providing a supportive environment to allow more junior nurses to grow and develop.

### What do we require

- Nursing staff with at least two years' experience working in an inpatient mental health setting
- Driven to exceed the expectations of consumers
- Committed to working in a strengths based, recovery oriented and trauma-informed way
- Committed to working in partnership with consumers and, where appropriate, their carers to ensure optimal service provision and outcomes
- Nurses who want to be at the cutting edge of contemporary mental health service provision in a purpose build, hotel like facility offering excellence in clinical service and innovation through digitisation.

### Employee Benefits include

- Competitive salary and benefits, including salary packaging options.
- Flexible working arrangements.
- Contemporary Learning and Development Systems.
- Professional and Personal Development Opportunities.
- Technology rich, state of the art environment.
