

WELLNESS COORDINATOR FULL TIME

About the Bethesda Clinic

The Bethesda Clinic, opening in October 2022, will be the first private mental health clinic and service south of the river.

Based in Cockburn, this exciting new offering will be centred on a consumer partnership model, involving experts in their fields, to deliver multidisciplinary care. Architecturally designed, encompassing wellness themes throughout, this state-of-the-art facility will explore new holistic care models through innovation and digitisation.

Mirroring the values that underpin Bethesda Health Care, the clinic will have a diverse, inclusive, and engaged workforce culture with a focus on development opportunities to consistently exceed consumer expectations.

About the role

This newly created role will provide clinical and operational coordination and participation in the delivery of the consumer centred therapeutic group programs offered within the Wellness and Recovery Centre at Bethesda Clinic.

The coordinator will work with external providers to deliver targeted programs that are evidence based, trauma informed and recovery oriented.

The role will involve the planning, implementation, and evaluation of therapeutic group programs to ensure they meet consumer needs and are delivered within a multi-disciplinary, recovery and strengths-oriented framework.

In addition, the coordinator will be responsible for ensuring all required data collection and reporting relevant to private insurers requirements is completed within appropriate time frames

What we require

Essential

- Tertiary qualifications in Occupational Therapy, Social Work, Nursing or Psychology and eligible for registration with the relevant health professional Board of Australia
- Demonstrated knowledge and skills in development and coordination of therapeutic group programs for consumers living with mental health issues
