

Senior Clinical Psychologist Full Time

About the Bethesda Clinic

The Bethesda Clinic, opening in October 2022, will be the first private mental health clinic and service south of the river.

Based in Cockburn, this exciting new offering will be centred on a consumer partnership model, involving experts in their fields, to deliver multidisciplinary care. Architecturally designed, encompassing wellness themes throughout, this state-of-the-art facility will explore new holistic care models through innovation and digitisation.

Mirroring the values that underpin Bethesda Health Care, the clinic will have a diverse, inclusive and engaged workforce culture with a focus on development opportunities to consistently exceed consumer expectations.

About the role

Senior Clinical Psychologist

The Senior Clinical Psychologist is a pivotal role within the Bethesda Clinic. They will be instrumental in coordinating and participating in the inpatient therapy programs at Bethesda Clinic. They will work in conjunction with clinical psychologist and other members of the multi-disciplinary team with input from people with lived experience of mental health challenges. They will be committed to collaborative, holistic, person-centred care and treatment, to support the consumer on their recovery journey. They will ensure work to ensure we deliver exemplary care and treatment that is evidence-based. They are driven to provide the highest quality, safe clinical care for every consumer, every time.

What do we require

- Enthusiastic individual driven to provide the very best in mental health care, exceeding the expectations of consumers
