

Senior Occupational Therapist

Full time, part time or job share considered

About the Bethesda Clinic

The Bethesda Clinic, opening in October 2022, will be the first private mental health clinic and service south of the river.

Based in Cockburn, this exciting new offering will be centred on a consumer partnership model, involving experts in their fields, to deliver multidisciplinary care. Architecturally designed, encompassing wellness themes throughout, this state-of-the-art facility will explore new holistic care models through innovation and digitisation.

Mirroring the values that underpin Bethesda Health Care, the clinic will have a diverse, inclusive and engaged workforce culture with a focus on development opportunities to consistently exceed consumer expectations.

About the role

Senior Occupational Therapist

The Senior Occupational Therapist is an integral part of Bethesda Clinic. They will be instrumental in coordinating and delivering group therapies within the inpatient setting at Bethesda Clinic. They will lead the inpatient group therapy program in conjunction with other members of the multi-disciplinary team. They will be committed to collaborative, holistic, person-centred care and treatment, to support the consumer on their recovery journey. They will ensure work to ensure we deliver exemplary care and treatment that is evidence-based. They are driven to provide the high est quality, safe clinical care for every consumer, every time.
