

# EXPERIENCED REGISTRAR/SENIOR REGISTRAR

Part-time (minimum 0.6FTE) or Full time

Commencing July 2022

As part of our continual organisational growth and expansion, Bethesda Health Care, with an enviable reputation for personalised and high-quality patient care, is seeking an experienced Registrar or Senior Registrar who thrives on delivering quality care and enjoys working in a team-focused environment to assist in the delivery of a medical support on-site service.

## **About the role**

This role will provide a medical assessment of inpatients, management of new admissions, and oversee, with support, unstable patients. Access to specialist Geriatricians/Physicians will also form part of the expanded service that will enable the management of higher acuity admissions to the hospital. The roles will consult closely with admitting Surgeons/Visiting Medical Officers to provide appropriate and timely communication regarding patients and include ward rounds.

## **About you**

The roles would suit doctors keen to work in a private hospital setting managing perioperative care for surgical patients, interested in pursuing a career in general hospital care or trainees who wish to obtain a mix of experience in preoperative medicine, palliative care, and general medicine.

This role will entail shift work to provide medical cover for the varying surgical lists and ensure the delivery of safe and quality care postoperatively.

The role is open to international graduates registered with APHRA and eligible to work in Australia.

We have a flexible working arrangement policy and are open to considering the flexibility of hours with suitable candidates.

## **What you need**

- MBBS or equivalent
- Registrar or Senior Registrar experience
- Current registration with the Medical Board of Australia and AHPRA
- Demonstrated ability to provide and coordinate a multidisciplinary approach to assessment and management of patients.
- Excellent communication skills – both written and verbal
- Leadership skills and ability to work as part of a team
- A commitment to working in a values and behavioural based organisation
- Hold or willing to obtain a National Police Clearance
- The right to work in Australia

**About Bethesda Health Care**

Bethesda is an 88-bed private hospital with a strong reputation for high-quality care in surgery (Orthopaedics, urology, plastics, gynecology, general surgery, and pain management) and is one of Perth's leading inpatient palliative care units. Our nine operating theatres have a high throughput, with a majority of surgical cases performed as same-day admissions. It is located in a beautiful setting on the Swan River and accessible within western metropolitan Perth. Nursing and support staff are highly qualified, and the hospital is a leader in occupational health and safety.

**Benefits**

- Friendly and modern work environment
- Discounted parking
- Discounted staff meals
- Salary Packaging
- Close to public transport

**How to Register your interest**
