

# Clinical Nurse Manager

## Full time

### About the Bethesda Clinic

The Bethesda Clinic, opening late 2022 / early 2023, will be the first private mental health clinic and service south of the river.

Based in Cockburn, this exciting new offering will be centred on a consumer partnership model, involving experts in their fields, to deliver multidisciplinary care. Architecturally designed, encompassing wellness themes throughout, this state-of-the-art facility will explore new holistic care models through innovation and digitisation.

Mirroring the values that underpin Bethesda Health Care, the clinic will have a diverse, inclusive and engaged workforce culture with a focus on development opportunities to consistently exceed consumer expectations.

### About the role

#### Clinical Nurse Manager (SRN 3) Alcohol and Other Drug (AOD) / General Psychiatry Ward

The Clinical Nurse Manager forms part of the leadership group at Bethesda Clinic. They will be responsible for leading and managing the nursing team within their ward and ensuring a close and collegial working relationship with other members of the multi-disciplinary team. They will be committed to collaborative, holistic, person-centred care and treatment, to support the consumer on their recovery journey. They will work to ensure the delivery of exemplary care and treatment that is evidence-based. They are driven to provide the highest quality, safe clinical care for every consumer, every time. They will have significant clinical experience in the fields of AOD and mental health.

### What do we require

- Enthusiastic individual driven to provide the very best in mental health care, exceeding the expectations of consumers
- Experience working in an adult inpatient mental health setting, delivering individual and group therapy, that is evidence-based
- Strong desire to be innovative and work in a digitally enhanced environment
- Committed to working in a strengths-based, recovery oriented and trauma-informed way
- Committed to working in partnership with consumers and, where appropriate, their carers to ensure optimal service provision and outcomes

### Employee Benefits include

- Competitive salary and benefits, including salary packaging options.
- Flexible working arrangements.
- Contemporary Learning and Development Systems.
- Professional and Personal Development Opportunities.
- Technology rich, state of the art environment.
