

Exercise Physiologist/Physiotherapist

About the Bethesda Clinic

The Bethesda Clinic, opening in early 2023, will be the first private mental health clinic and service south of the river.

Based in Cockburn, this exciting new offering will be centred on a consumer partnership model, involving experts in their fields, to deliver multidisciplinary care. Architecturally designed, encompassing wellness themes throughout, this state-of-the-art facility will explore new holistic care models through innovation and digitisation.

Mirroring the values that underpin Bethesda Health Care, the clinic will have a diverse, inclusive and engaged workforce culture with a focus on development opportunities to consistently exceed consumer expectations.

About the role

The Exercise Physiologist/Physiotherapist works as part of the multi-disciplinary team and within their scope of practice to optimise the health and wellbeing of the consumers of Cockburn Clinic. They are responsible for assessing the overall wellbeing of our consumers, taking into consideration lifestyle factors and utilising behavioural change and self-management concepts. They will support our consumers through the collaborative development of programs to increase activity and decrease sedentary behaviours. Programs may be delivered within and outside the facility.
