BETHESDA CLINIC AWARDED BEST HEALTH CARE BUILDING AT THE 2023 MASTER BUILDERS EXCELLENCE IN CONSTRUCTION AWARDS

Bethesda Clinic, Perth's only private mental health service located south of the river, has won Best Health Care Building in the \$20-\$50 million category at the 2023 WA Master Builders Excellence in Construction Awards. Broad Construction collected the award and are responsible for the world-class building. The recognition comes in acknowledgment of Broad's exceptional work delivering the state-of-the-art Bethesda Clinic Stage 1.

The award highlights the Clinic's exemplary environmental practices, notably in waste reduction. Bethesda and Broad ensured all waste materials were appropriately separated off-site, with recyclable and landfill materials handled responsibly.

Bethesda Clinic Stage 1 officially commenced patient services in March 2023. The extensive scope of Stage 1 works involved:

- Construction of 45 modern and well-equipped patient rooms
- Inpatient care and hospitality facilities
- Outpatient mental health and recovery centres
- Specialist consulting suites
- Medical equipment rooms
- Parking facilities
