

## Central Sterilising Services Technician (CSSD)

- Full-Time, Pat-Time and Casual positions available
- hours negotiable
- Immediate start

Join one of Perth's reputable private healthcare providers and make a difference in our patients' health journey every day!

As part of our ongoing organisational growth, Bethesda Health Care, a values-driven organisation renowned for its personalised and high-quality patient care, has an exciting opportunity for a CSSD Technician to join our Perioperative Services team.

Reporting to the CSSD Supervisor and Perioperative Services Manager (POSM), your role will focus on delivering high-quality decontamination, packing, and sterilisation of reusable instruments and equipment for use in the Operating Theatres and Wards, adhering to AS 5369 standards and manufacturer instructions for use (IFUs).

### Essential Criteria

- Certificate III in Health Service Assistance (Sterilisation Services) or equivalent qualification.
- Proven experience as an SSD Technician with demonstrated competency in sterilisation practices.
- Knowledge of Australian Standard AS 5369 and sterilisation processes.
- Exceptional attention to detail and a strong task orientation.

### About Bethesda Health Care

Bethesda Hospital is a medium-sized private hospital nestled on the banks of the beautiful Derbarl Yerrigan (Swan River) in Claremont, Perth. The hospital has nine theatres, sixty-six inpatient beds, and an 18-bed Day Procedure Unit. We are also proud to manage one of Perth's leading inpatient palliative care units and provide a highly reputed palliative care consultancy service to the Perth community (MPaCCS). We are a values-based not-for-profit organisation with an outstanding culture committed to employee health, well-being, and professional development.
