

GRADUATE NURSING PROGRAMS FEBRUARY 2026 INTAKE

Part-Time – 56 to 70 hours per fortnight

Bethesda Health Care is now accepting applications for our February 2026 Graduate Nursing Programs. We invite motivated and committed new Registered Nurses seeking a supportive, hands-on learning environment to join our dynamic team.

Our Programs:

Direct Entry Perioperative Nursing Program

- Focused perioperative experience with three rotations over 12 months
- Gain hands-on skills in scrub/scout, anaesthetics, and post-anaesthetic care

General Graduate Nursing Program

- Three rotations across Surgical, Palliative Care, and Perioperative Nursing
- Within the Perioperative rotation, gain experience in two of the following areas: scrub/scout, anaesthetics, and post-anaesthetic care

What You'll Gain:

- A positive and supportive environment fostering clinical and professional development
- Comprehensive orientation and supernumerary time in each clinical area
- Fortnightly education sessions and ongoing study days
- Dedicated support from Staff Development Nurses, preceptors, and our Learning and Development Team
- Flexible part-time contracts (56 – 70 hours per fortnight), with 70 hours required for the first four weeks to consolidate orientation in clinical areas.

Optional Graduate Certificate in Clinical Nursing

In partnership with the University of Notre Dame, you have the option to complete a Graduate Certificate in Clinical Nursing alongside your program. This qualification enhances clinical knowledge and decision-making through a combination of online and practical modules. Competitive fees apply, and partial funding may be available, subject to a successful application.

Note: You do not need to have completed your undergraduate degree at Notre Dame to participate in the Graduate Program or pursue the Graduate Certificate.

Launch your nursing career at Bethesda Health Care - a nurturing, diverse, and dynamic healthcare environment.

About Bethesda Health Care
